We, the 1984-85 Century Staff, dedicate this edition to Mrs. June Boeve in honor of her retirement after 21 years of teaching at Kelloggsville High School.

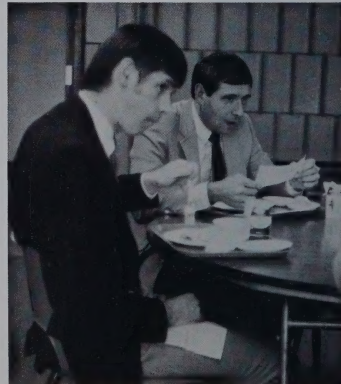

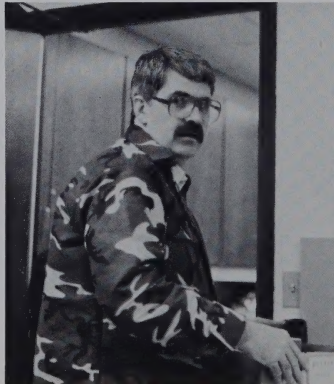

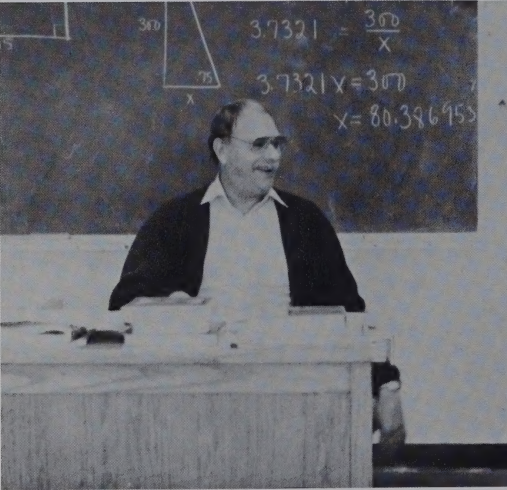

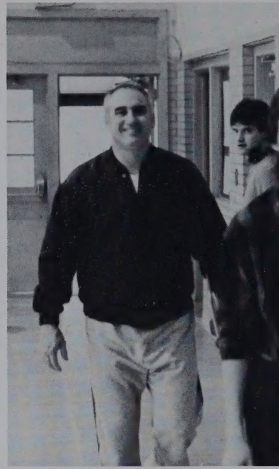

Mrs. Boeve has been very active teaching both English and Spanish classes, while also being a class advisor and the sponsor for the Spanish Club.

She was the chairwoman of the English Department for 10 of her 21 years, and also very involved with the Creative Writing Committee.

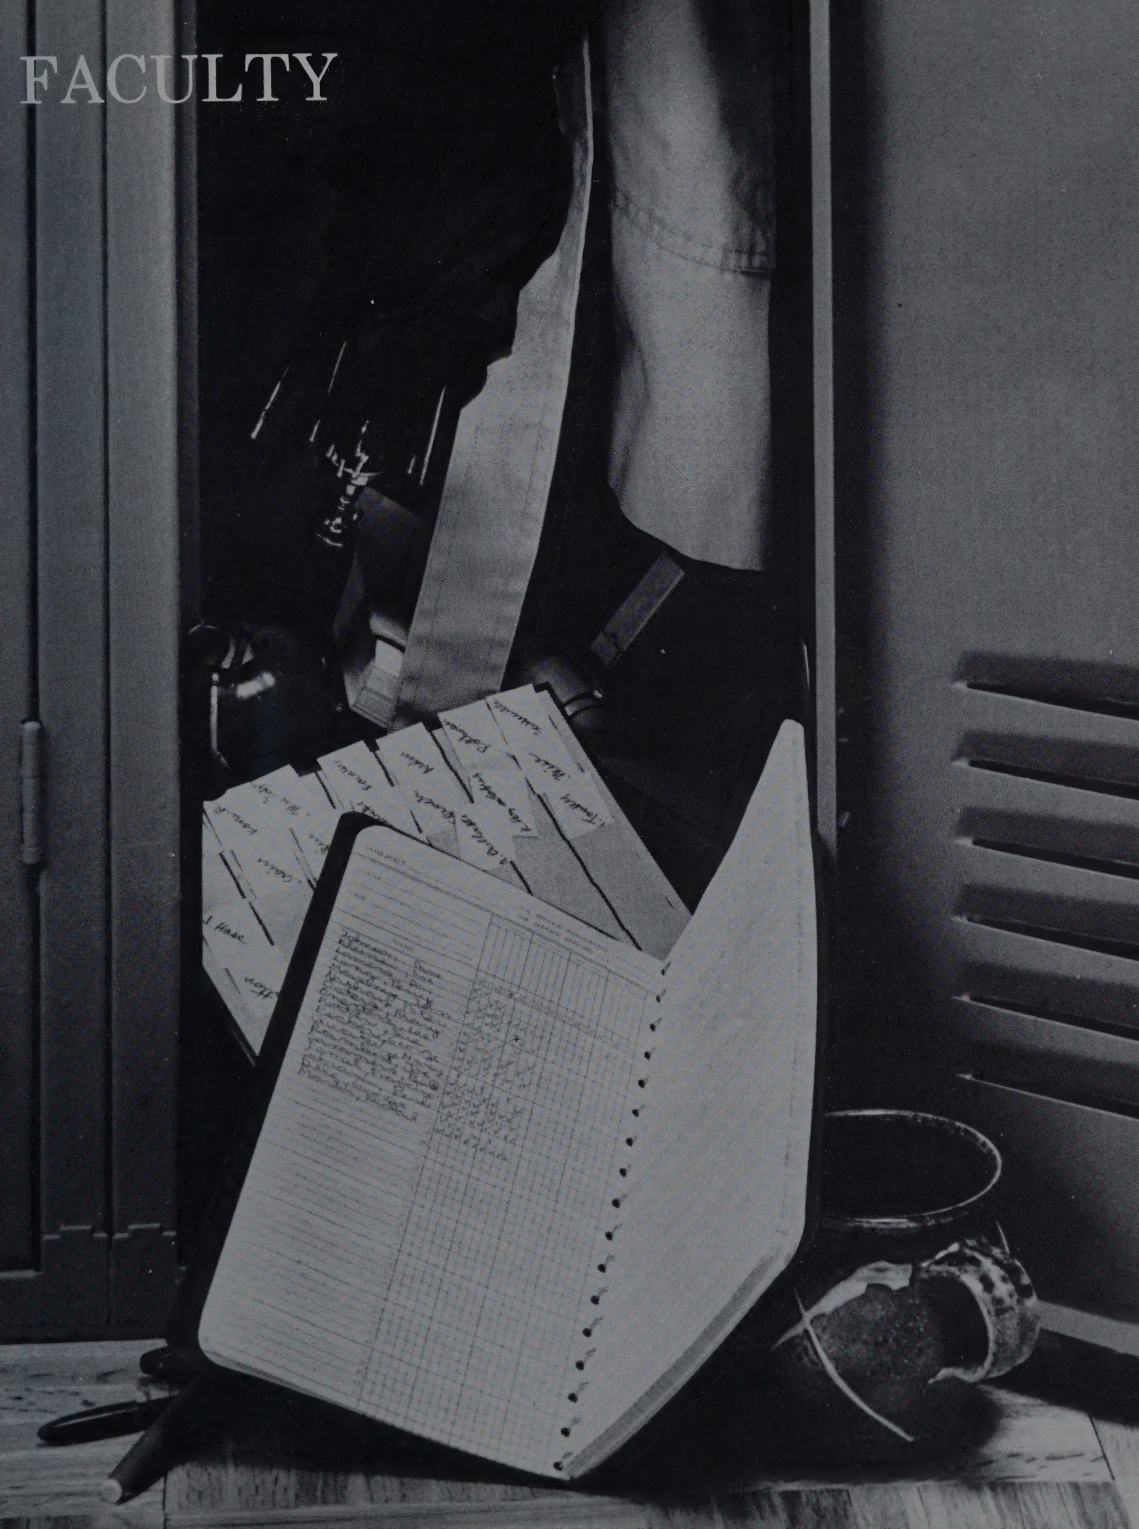

Thus, in belief of the alumni of Kelloggsville, the Senior Class of 1985 and every other student of Mrs. June Boeve, we thank you and wish you the very best.

Baldness may come with age, but insecurity comes with experience.

This year's Student Congress gave Kelloggsville High School many new things from computer compatability matches to a concert with ARC. With every year comes new faces on the Congress, each sharing their views of government and of the student body. Mr. Sisson kept the Congress within its limits, not letting it get too carried away with its ideas. He was not just a limit reinforcer but a very friendly advisor.

A BIT OF SWEDEN

The Senior Class of Kelloggsville High was proud to have two exchange students from Sweden as a part of their last year in high school. Meggan Marjeta lived with Mr. and Mrs. Donald Harley of 52nd St. and Eric Bengtson stayed with Mr. and Mrs. William Botts of 42nd St. Both Meggan and Eric excelled in the Spring sports at K-ville. Meggan broke many school track records and Eric went to State competition for tennis. They were also on the superior honor roll. The 1984-85 Century staff wishes both of them a happy life, and we hope that they will be able to visit us again.

CLOSE-UP

Close-up gives students a first hand view of government on the local, state, and national levels. It allows students to ask their own questions of government officials and get a personal answer. A week in Washington, D.C. is the climax of the school year for those who are able to finance it.

DEBATING THE ISSUE

Standing: Wendi Martin, Teresa Slagter, Cheryl Van Hoven, Yvette Friend, Bill Kryger, Sitting: Sabrina Page, Mr. Hoffman (advisor), Scott Fitzgerald.

Last year, Kelloggsville graduated an all-senior debate team. So this year was a rebuilding one. For the first time in the history of debate at Kelloggsville, Jr. Highers were allowed to participate. The debate team had an off season, but with this year's returning team's experience, next year should be better.

MR. HOFFMAN

Back row: Mr. Nowak, Tammy Fowle, Mark Petersen, Don Williams, Rick Tanis, Tom Smith, Rick VanderWal, Eric Bengston, Gary VanHoven, Krista Anderson, Laura Hoag, Stacy Duncan, Front row: Kevin Britten, Joe Cunningham

SKI CLUB

The ski club had an excellent time skiing this year, with a lot of new members trying out Cannonsburg facilities. Some of our beginners and advanced skiers found out that they were not as good as they thought (Gary). The only thing bad about Michigan skiing is the season is too short.

LOS COHETES

BACK ROW: Lenal Steenwyk, Helen Wu, Cherie DeDroog, Mrs. Boeve. FRONT ROW: Denise Evenski, Julie Everest, Cherylan Evenski.

The Spanish Club, LOS COHETES, had a very busy year. They met every two weeks. Their flower sales increased to three — Christmas, Valentine's Day, and Mother's Day. By this means they financed a spring dinner which all enjoyed very much. Several times during the year they met for an early breakfast at Don's Kitchen. Parents joined us at times. It was a good year for the LOS COHETES with very enthusiastic members! Many could be identified by their sweat-shirts with slogans in Spanish.

When one attends a varsity basketball game, usually the only thing on his mind is the game. Any extras just make the game more enjoyable. Those extras contain a lot of hard work by many individuals. The pep band works very hard to fire up the home crowd and generate spirit. From the moment the team takes the court to the playing of the Star Spangled Banner, this group works to bond the home crowd and team into one large force to be reckoned with!

BAND

WE'VE GOT TONIGHT 1985

This years PROM was held at the Harley Hotel on April 26. The Harley Hotel served an elegant meal, and the Juniors and Seniors danced the night away to the sounds of "MONITOR". The Juniors picked "We've got tonight" as the theme for this years PROM. A good time was had by all and the Juniors efforts were appreciated.

SPIRIT WEEK

Spirit Week began on Mon., Feb. 18, with Nerd Day. Tuesday was Punk Day. The basketball game that evening was against Grand Rapids Baptist. We lost in double overtime. Wednesday was Sweats Day and Thursday was Hawaiian Day. Friday was orange and blue day and Kelloggsville defeated Middleville that night in overtime. Each class decorated their hall and the Sophomores sponsored a dance after the game. It was a great week with a lot of people participating in the events.

FLORIDA!!!!

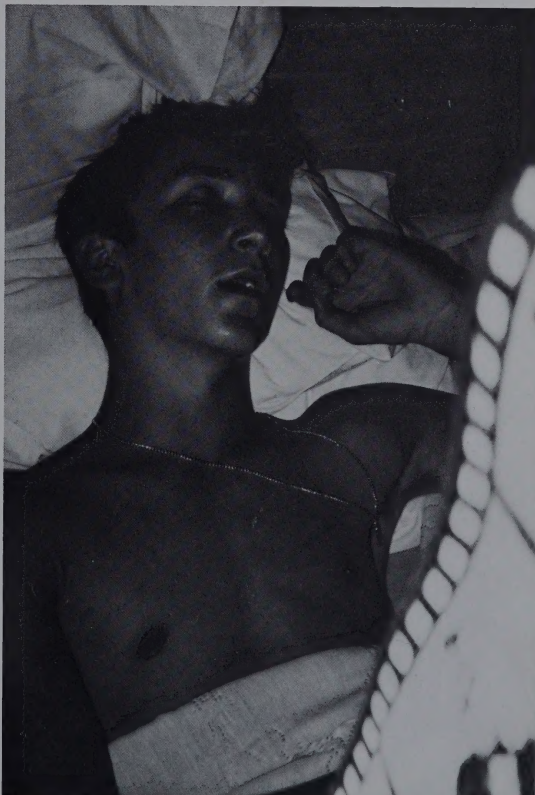

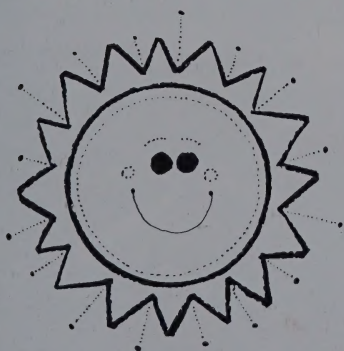

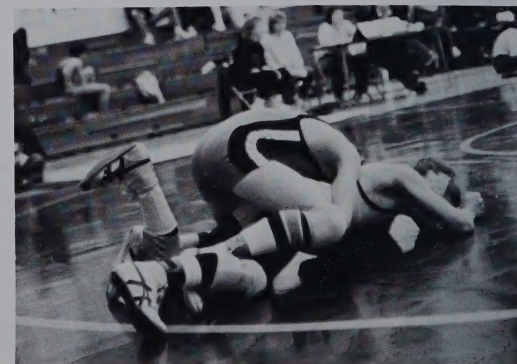

SENIOR TRIP 1985

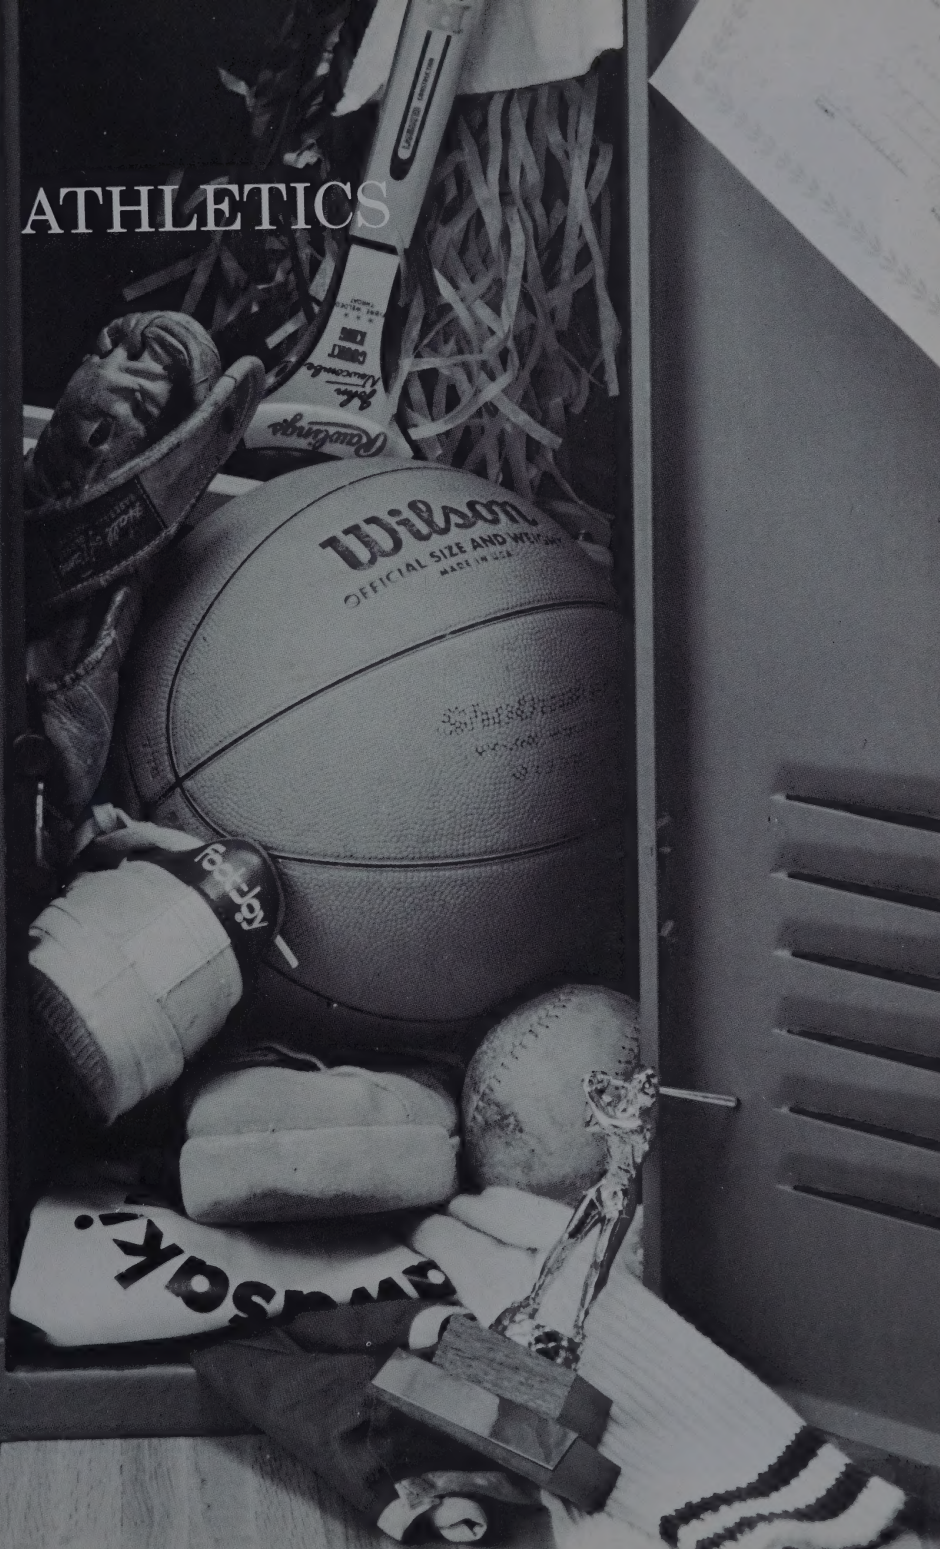

38 seniors flew from Grand Rapids to Orlando, Florida on Saturday, March 30, for a weeks vacation. On Sunday, they visited the Disney Epcot Center and on Monday they traveled to Busch Gardens in Tampa by bus to spend the day. Tuesday they had their group picture taken and the rest of the day was free for shopping or sunning. Wednesday was set aside for the Magic Kingdom of DisneyWorld. A fun day in the water at Wet-N-Wild was also a sunburn day on Thursday. Friday we spent a great day at Sea World. The seniors and chaperones flew back home on Saturday afternoon, April 6th.

The seniors who enjoyed this trip so much would like to express their thanks to their chaperones: Mr. and Mrs. Jack Britten and Mr. & Mrs. Ed Remick and Mr. & Mrs. Harold Weemhof.

The JV football team was again an inexperienced one. The lack of a freshman team has hurt us in the last few years. This year we did have a good turnout of freshman, about 20. The team played competitive football this year. Every game we lost was not lost until the 4th quarter. I think with the amount of players returning from this years team, next year should be promising.

GOLF

Overall the golf season showed signs of improving the team, made up of only six golfers, had its good days, but also its bad. Inconsistency was the "by-word" of the team. The few numbers made it difficult to have the depth, and in the future more participation is encouraged. Golf is a game that can be enjoyed for many years after high school and everyone is encouraged to get involved.

The loss of three senior starters and a starting junior by Christmas turned the season from one of high hopes to one of survival. We survived! Our placing of third in the conference, third in the district, fifth in the regionals, and seventeenth in the state showed the character of the young men on the team. The highlight of the season as a team was when we defeated Comstock Park in our dual match. (Comstock Park was ranked sixth in the state at one and ended up being conference champs.) The co-captains, Fraser Brown and Mike Dyer, led this year's team with Fraser ending his year with a 43-2 record and a 108-28 career record, and Mike ending his season at the conference, district and regional, with Mike placing sixth in the state meet and Fraser placing a strong third. With an outstanding group of underclassmen, lead by Scott Gooch, the years to come should be just as strong as years past.

4-13 Overall
4-10 Conference

This years JV team played better than their 4-13 record. For the season the team hit almost .300, but errors in the field often accounted for runs that were not earned, and proved to be costly. Many of the players were first year people, and should contribute next year.

REMEMBER THE JUNIORS

"Giggle, giggle"

You want me to eat this?

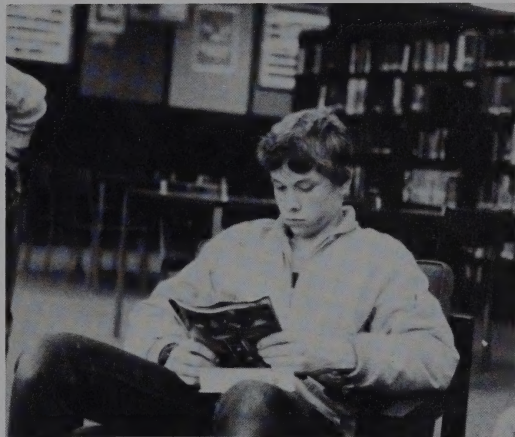

Guess what we learned in HOUSEWIVES 101!

JUNIORS TODAY, SENIORS TOMORROW

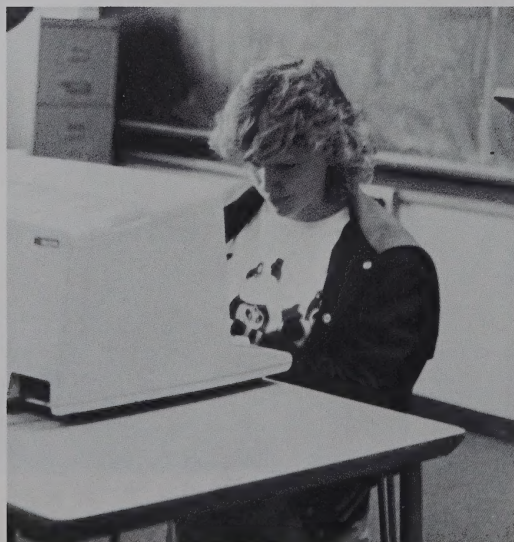

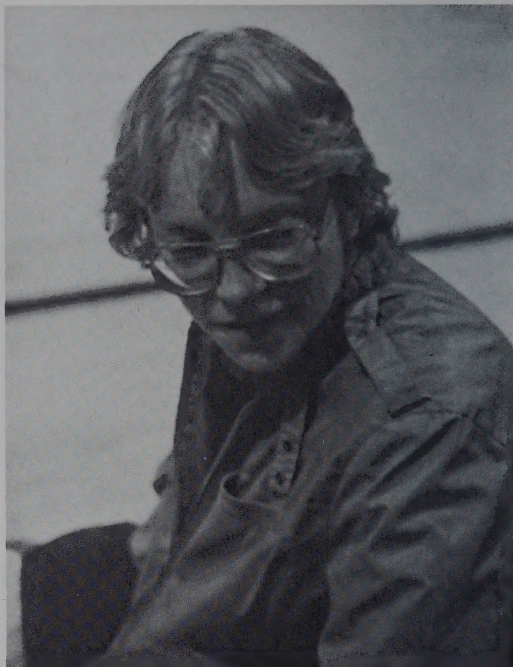

Juniors are very much like the seniors of the school, except that they do not have all the worries and privileges that a senior has. While seniors are worrying about college financial aid, a junior is worrying about where the next party is to be held. Juniors always have to settle for second best in the school, at least, that is, until they are seniors.

Is Tammy Inman a member of Sleepwalkers Anonymous?

The sophomore is a brand of student unlike any other. This class has passed through their first year in high school and have only had just a touch of the life of the "big league". The main concerns of the average sophomore are simple ones indeed. They range from worrying about test A's to what to wear to school the next day. A sophomore is inbetween the scariest year (freshmen) and the second most demanding year (junior). So let it be known that the year of the sophomore is just a break between chaos.

THE SOPHOMORE: A UNIQUE SPECIES

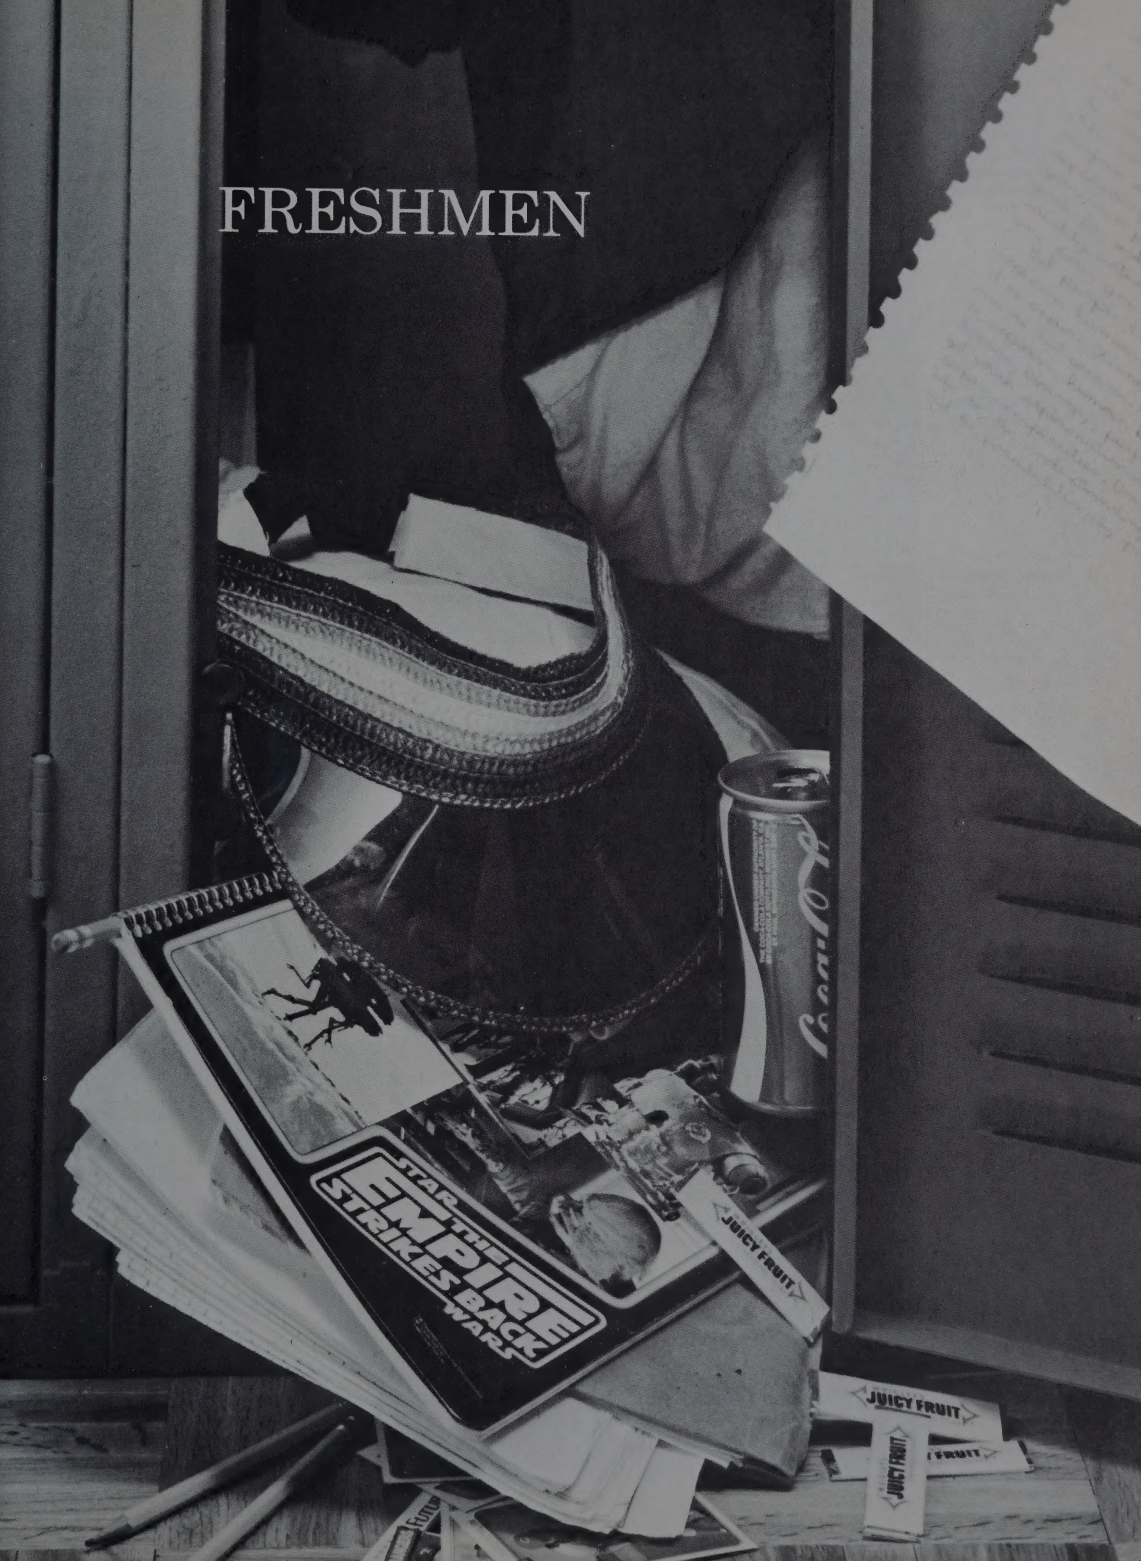

David Byrne reflects the life of the average sophomore, how strenuous!

Each year, graduates face the challenge of making choices which will determine the paths their futures will take. It's a critical choice, but only one of hundreds of important choices all of us must make throughout our lives. The right to make such choices is a privilege only we who live in the free world enjoy. Most of humanity is still being told how their lives must be lived. For them, freedom of choice does not exist. We should think about that once in awhile. The right to make choices is the quintessential element of freedom – and freedom makes all the difference.
